

Mission: To advance the art and science of health through education, service, scholarship, and social accountability.

CODA "Must Statements"	Description	CDM Competency Statement	Formative Experience: Course Name	Summative Competency Exam
2-5	"...employ student evaluation methods that measure the defined competencies: Clinical Procedures Problem Solving Clinical Reasoning Professionalism Ethical decision-making Communication skills	a. 4, 5 b. 3, 4, 5, 6 c. 3, 5, 6 d. 2 e. 2 2, 3 f.	See Tab Standard 2-5 Competencies	
2-10	"...the use of critical thinking and problem-solving, including their use in the comprehensive care of patients, scientific inquiry and research methodology"	5, 6	DS 1: Integrated Basic and Clinical Sciences DS 1: Dental Significance of Systemic Diseases DS 1: Restoration of Teeth DS 1: Introduction to Oral Surgery DS 1: Interprofessional Approaches to Care DS 1: Foundations of Dental Medicine DS 1 Ethics and Professionalism DS 1: Managing Student Life	1. Final written Exam 2. DS 4 Treatment Planning OSCE 3. D3 4 Tooth Replacement OSCE 4. Other clinical OSCEs
2-11	"...the ability to self-assess, including the development of professional competencies and the demonstration of professional values and capacities associated with self-directed, lifelong learning"	2	DS 1: Managing Student Life DS 1: Foundations of Ethics and Professionalism DS 1: Foundations of Dental Medicine DS 1: Restoration of Teeth DS 2: Dental Anesthesiology	1. Guided reflections and self-assessments in all courses 2. All Clinical Competency Examinations
2-12	"BMS...ensure an in-depth understanding of basic biological principles, consisting of a core of information on the fundamental structures, functions and interrelationships of the body systems"	6	DS 1 Integrated Basic Sciences DS 1 Integrated Clinical Sciences	Final Written Exam
2-13	"BMS...emphasize that the oro-facial complex is an important anatomical area existing in a complex biological interrelationship with the entire body"	6	DS 1 Integrated Clinical Sciences DS 1 Dental Anatomy DS 1 Introduction to Oral Surgery DS 1 Orthodontics and Craniofacial Development	Final Written Exam
2-14	"...support a high level of understanding of the etiology, epidemiology, differential diagnosis, pathogenesis, prevention, treatment and prognosis for oral and oral-related diseases"	5, 6	DS 1: Introduction to Cariology DS 1: Introduction to Oral Pathology DS 1: Integrated Basic Sciences DS 1 Integrated Clinical Sciences DS 1-DS 4 Preclinical and Clinical courses all have elements	Final Written Exam
2-15	"...competent in the application of biomedical science knowledge in the delivery of patient care"	5, 6	DS 1 Integrated Clinical Sciences DS 1: Integrated Basic Sciences Add in clinical care	Final Written Exam
2-16	"...competent in the application of the fundamental principles of behavioral sciences as they pertain to patient-centered approaches..."	2, 3, 4, 5, 6	DS 1: Managing Student Life Foundations of Dental Medicine DS 1 Introduction to Pediatric Dentistry	1. Behavioral science OSCE 2. Pediatric dentistry OSCE 3. Other clinical OSCEs
2-17	"...competent in managing a diverse patient population...interpersonal and communications skills to function successfully in a multicultural ..."	2, 3, 4, 5, 6	DS 1 Foundations of Dental Medicine DS 4 Cultural competency 4 Comprehensive Care Family Dentist	DS3, Communication and multicultural Competency Exam/OSCE
2-18	"...competent in applying legal and regulatory concepts related to the provision and/or support of oral health care services"	1	DS 1 Foundations of Ethics and Professionalism in Dental Medicine and Health Care DS 1 Foundations of Dental Medicine	Legal and regulatory competency examination

2-19	"...competent in applying...practice management, models of oral health care delivery...leader of the oral health care team"	1,2,7	DS 1 Introduction to Health Systems DS? Practice Management 1 and 2	1.DS 1 Intro to Health systems Final Exam 2.Practice Management Competency Exam
2-20	"...competent in communicating and collaborating with other members..."	2, 3, 4	DS 1 Interprofessional Approaches to Care	IFE OSCE
2-21	"...competent in the application of the principles of ethical decision making and professional responsibility"	2	DS 1 Foundations of Ethics and Professionalism in Dental Medicine	Foundations of Ethics and Professionalism in Dental Medicine OSCE
2-22	"...competent to access, critically appraise, apply, and communicate scientific and lay literature...providing evidence-based patient care"	5, 6	DS 1 Interprofessional Approaches to Care	Interprofessional Approaches to Care: Systematic Review Project (DS 1 Spring)
2-23	"...competent in providing oral health care within the scope of general dentistry to patients in all stages of life"	2, 3, 4,	DS 1 Introduction to Pediatric Dentistry DS 1 Interprofessional Approaches to Care	Competency examinations in Pediatric Dentistry and Geriatric Dentistry (DS 4 year)
2-24A	"...competent in providing oral health care within the scope of general dentistry...assessment, diagnosis, comprehensive treatment planning, prognosis, and informed consent"	4, 5, 6	DS 2 Comprehensive Care Family Dentistry DS 2 Prosthodontics Fixed Tooth Replacement	Oral Diagnosis and Treatment Planning competency exam (DS 3 Summer)
2-24B	"...competent in providing oral health care within the scope of general dentistry...screening and risk assessment for head and neck cancer"	4, 5	DS 1 Introduction to Oral Pathology DS 1 Introduction to Cellular and Molecular Biology DS 1 Oral Health Screening	Oral Health Screening competency examination (DS 1 Summer)
2-24C	"...competent in providing oral health care within the scope of general dentistry...recognizing the complexity of patient treatment and identifying when referral is indicated"	4	DS 2 Comprehensive Care Family Dentistry DS 2 Prosthodontics Fixed Tooth Replacement	Oral Diagnosis and Treatment Planning Competency Exam (DS 3 Summer)
2-24D	"...competent in providing oral health care within the scope of general dentistry...health promotion and disease prevention, including caries management"	4, 5	DS 1 Introduction to Caries DS 2 Comprehensive Care Family Dentistry	Caries final written examination
2-24E	"...competent in providing oral health care within the scope of general dentistry...local anesthesia, and pain and anxiety control, including consideration of the impact of prescribing practices and substance use disorder"	4	DS 2 Dental Anesthesiology I: Local Anesthesia DS 2 Dental Anesthesiology II: Pain and Anxiety Control and Analgesia	1. Dental Anesthesiology I: Local Anesthesia competency examination (DS 2 Spring) 2. Dental Anesthesiology II: Pain and Anxiety Control and Analgesia competency examination (D2 Summer)
2-24F	"...competent in providing oral health care within the scope of general dentistry ...restoration of teeth"	4	DS 2 Comprehensive Care Family Dentistry DS 2 Prosthodontics Extracoronary Restorations	1. Class 1, 2 and 4 Competency Examinations 2. Indirect Restoration Competency Examination 3. Pediatric Intracoronary direct restoration competency examination
2-24G	"...competent in providing oral health care within the scope of general dentistry...communicating and managing dental laboratory procedures"		Prosthodontics, Fixed Tooth Replacement: Tooth- and Implant- supported Prosthodontics, Removable Tooth Replacement: Removable Partial Dentures Prosthodontics, Removable Tooth Replacement: Removable Complete Dentures	2. Clinical fixed prosthodontic technical competency examination (DS 4)
2-24H	"...competent in providing oral health care within the scope of general dentistry...replacement of teeth including fixed, removable and dental implant prosthodontic therapies"	4	DS 2 Prosthodontics, Fixed Tooth Replacement: Tooth- and Implant- supported DS 2 Prosthodontics, Removable Tooth Replacement: Removable Partial Dentures DS 3 Prosthodontics, Removable Tooth Replacement: Removable Complete Dentures	1. Oral Diagnosis and Treatment Planning Competency Exam (D3 Summer) 2. Fixed tooth replacement technical competency examination 3. Implant Competency Examination 4. Removable partial denture competency examination 5. Complete denture competency examination 6. Tooth replacement OSCE (DS 3 and 4)
2-24I	"...competent in providing oral health care within the scope of general dentistry...periodontal therapy"	4	DS 1 Introduction to Periodontal Disease DS 2 Periodontology II	Periodontal therapy competency examination
2-24J	"...competent in providing oral health care within the scope of general dentistry...pulpal therapy"	4	DS 2 Endodontics	Pulpal therapy competency examination (DS 4)

2-24K	"...competent in providing oral health care within the scope of general dentistry...oral mucosal and osseous disorders"	4	DS 1 Introduction to Oral Pathology DS 1 Introduction to Cellular and Molecular Biology	Oral pathology competency examination
2-24L	"...competent in providing oral health care within the scope of general dentistry...hard and soft tissue surgery"	4	DS 1 Introduction to Oral Surgery DS 1 Introduction to Cellular soft Molecular Biology	Oral surgery competency examination
2-24M	"...competent in providing oral health care within the scope of general dentistry dental emergencies"	4	DS 2 Endodontics	Dental emergency examination competency examination
2-24N	"...competent in providing oral health care within the scope of general dentistry...malocclusion and space management"	4	DS 1 Orthodontics and Craniofacial Development DS 2 Introduction to Pediatric Dentistry DS 2 Prosthodontics, Fixed Tooth Replacement: DS 2 Tooth- and Implant- supported DS 2 Prosthodontics, Removable Tooth Replacement: Removable Partial Dentures	1. Tooth replacement OSCE (DS 3 and 4) 2. Orthodontics competency examination 3. Pediatric dentistry OSCE examination
2-24O	"...competent in providing oral health care within the scope of general dentistry...evaluation of the outcomes of treatment, recall strategies, and prognosis"	4, 5, 8		Outcomes of care competency examination
2-25	"...be competent in assessing and managing the treatment of patients with special needs"	3, 4	DS 1 Interprofessional Approaches to Care DS 2 Treating Special Needs Patients	Special needs competency examination (DS 2 Fall)
2-26	"...make available opportunities and encourage students to engage in service learning experiences and/or community-based learning experiences"	1, 4	DS 4 Clinical Clerkship Community Based Education	Essay based reflections on the Community Based Education Experience
