

2-5 The dental school must employ student evaluation methods that measure the defined competencies:

**Faculty Calibration: All faculty will be calibrated at onboarding and once per year.**

Clinical Procedures	Course Number	Course Name	Procedure	Formative Assessments	Summative Assessments	How Students are Deemed Ready to Challenge	Objective Assessment
Clinical Procedures	<b>ODONT 511, 512, 513; ODONT 611, 612, 613</b>	Operative Dentistry	Intra- and Extra- coronal restorations (crowns, class I, II, III, IV, other extra-coronal)	Self Assessment, Daily Feedback, Simulation, Test Cases	Final OSCE and Technical EPA. Competency Examinations.	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures	<b>ODONT 551</b>	Introduction to Complete Dentures	Complete denture fabrication, laboratory prescription writing	Self Assessment, Daily Feedback, Simulation	OSCE, Competency Examination	Completion of formative learning	Prescription: Student ID hidden
Clinical Procedures	<b>ODONT 551</b>	Introduction to Complete Dentures	Infection Control PPE, Medical Risk assessment, Motivational interviewing	Self Assessment, Daily Feedback, Simulation	OSCE	Completion of formative learning and required clinical work	Student ID hidden
Clinical Procedures	<b>HS 553</b>	Oral Health Screening	Head and neck exam, documentation and decision to refer/biopsy	Self Assessment, feedback	OSCE and EPA	Completion of formative learning	
Clinical Procedures	<b>OMFS 631, 642</b>	Local Anesthesia, Pain Management I and II	Local anesesthesia, nitrous oxide	Self Assessment, Daily Feedback, Simulation	OSCE and Technical EPA	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures	<b>ODONT 662, 663</b>	Periodontology: Comprehensive Care Family Dentistry	Prophylaxis, scaling and root planing, periodontal maintenancce, soft tissue surgery.	Self Assessment, Daily Feedback, Simulation	OSCE, EPA, Competency Examination	Completion of formative learning and required	

Clinical Procedures	<b>ODONT 752</b>	Outcomes of Care			Competency Examination	Completion of formative learning, required clinical work and Coaches Assessment	
Clinical Procedures	<b>ODONT 621</b>	Fixed Tooth Replacement (Teeth and implant supported)	Tooth preparation, digital scanning, implant procedures	Self Assessment, Daily Feedback, Simulation, Test Cases	EPA, OSCE and Competency Examination	Completion of formative learning and required clinical work	
Clinical Procedures	<b>OMFS 641, 751</b>	Oral Radiology I and II	Imaging procedures	Self Assessment, Daily Feedback, Simulation	EPA, OSCE	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures		Tooth Replacement: Removable Partial Dentures	Tooth replacement using removable partial dentures	Self Assessment, Daily Feedback, Simulation, Test Cases	OSCE and Technical EPA; Competency Examination	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures	<b>ODONT 532</b>	Endodontics	Endodontic diagnosis, access cavity preparation, instrumentation	Self Assessment, Daily Feedback, Simulation, Test Cases	OSCE and Technical EPA, Competency Examination.	Completion of formative learning, required clinical work and Coaches Assessment	
Clinical Procedures	<b>ODONT 513</b>	Oral Diagnosis and Treatment Planning	Diagnosis (tooth prognosis, radiographic, caries risk, periodontal risk). Sequencing of treatment planning.	Self Assessment, Daily Feedback, Simulation	OSCE and EPA	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures	<b>OMFS 513</b>	Pediatric Dentistry	Behavioral assessment, changes in doseages, prescription writing, referrals, space maintenance	Weekly evaluation, Self Assessment	OSCE and EPA	Completion of formative learning	
Clinical Procedures	<b>OMFS 642</b>	Oral Pathology/Oral Medicine	CAMBRA, decisions to refer for biopsy	Self Assessment	OSCE and EPA	Completion of formative learning	

Clinical Procedures	<b>ODONT 761, 762, 763; ODONT 861, 862, 863</b>	Comprehensive Care	CAMBRA, diagnosis and management of patients in pain.	Daily participation in clinics, Coach daily feedback	OSCE and EPA	Completion of formative learning, required clinical work and Coaches Assessment	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures	<b>OMFS 532, 633, 761</b>	Oral Surgery	Extraction, hard tissue surgery	Self Assessment, feedback	OSCE and EPA, Competency Examination	Completion of formative learning, required clinical work and Coaches Assessment	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures		Oral Surgery	Implant placement, surgical extraction, pre-prosthetic surgery	Self Assessment, feedback	EPA	Completion of formative learning	
Clinical Procedures	<b>OMFS 791</b>	Pediatric dentistry	Pediatric operative dentistry	Self Assessment, Daily Feedback, Test Cases, Simulation	OSCE and EPA	Completion of formative learning, required clinical work and Coaches Assessment	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Procedures	<b>OMFS 543</b>	Orthodontics I	Referral for orthodontics (malocclusion), space maintenance	Self Assessment, Daily Feedback, Final Exam	OSCE, EPA, Competency Examination	Completion of formative learning	
Clinical Procedures	<b>OMFS 872</b>	Orthodontics Clerkship	Molar uprighting, diastema closure, introduction to invisalign	Self Assessment, Daily Feedback, Test Cases, Simulation		Completion of formative learning	
Clinical Procedures	<b>ODONT 861</b>	Dental Emergencies	Management of patients in pain and other emergencies	Daily feedback	Competency Examination	Completion of formative learning, required clinical work and Coaches Assessment	Student ID hidden for OSCE, technical EPA and Competency Exams

Problem Solving	Course Number	Course Name	Procedure	Formative Assessments	Summative Assessments	How Students are Deemed Ready to Challenge	Objective Assessment
-----------------	---------------	-------------	-----------	-----------------------	-----------------------	--	----------------------

Problem Solving	<b>BSS 511</b>	Managing Student Life	Student wellbeing	Discussions, self assessment	Final Project	Completion of formative learning	Student ID hidden
Problem Solving	<b>ODONT 541</b>	Integrated Biomedical Science	Integrating biomedical science	Case Based Learning, Grand Rounds	MCQ	Completion of formative learning	Student ID hidden
Problem Solving	<b>ODNT 531</b>	Integrated Clinical Science	Integrating biomedical science	Case Based Learning, Grand Rounds	MCQ	Completion of formative learning	Student ID hidden
Problem Solving	<b>BSS 521</b>	Introduction to Health Systems	Understanding how dentistry integrates into health systems	In Class attendance	Final Project	Completion of formative learning	Student ID hidden
Problem Solving	<b>BSS 531</b>	Foundations of Ethics and Professionalism	Ethics and professionalism in dental practice	Self Assessment, Daily Feedback, Simulation	Vignette Submission	Completion of formative learning	Student ID hidden
Problem Solving	<b>HS 511-3, 611-3; 711-3; 811-3</b>	Portfolio	Ethics and professionalism in dental practice	Weekly submission	End of semester/trimester and annual submissions	Completion of formative learning	
Problem Solving	<b>OMFS 512</b>	Introduction to Pediatric Dentistry	Behavioral	Self assessment	OSCE	Completion of formative learning	Student ID hidden
Problem Solving	<b>OMFS 571</b>	Pediatric Dentistry	Motivational interviewing	Self assessment	EPA	Completion of formative learning	Student ID hidden
Problem Solving	<b>BMS 541 BMS 662</b>	Integrated Behavioral Science		Various	OSCE	Completion of formative learning	Student ID hidden
Problem Solving	<b>HS 521-853</b>	Grand Rounds	Using evidence and BMS knowledge to solve problems in clinical dentistry	Grand Rounds attendance	DS3 and 4 Clinical Coach Feedback	Completion of formative learning	
Problem Solving	<b>ODONT 531</b>	Foundations of Dental Medicine	Variety of core clinical procedures	Self Assessment, Daily Feedback	Simulation, OSCE	Completion of formative learning	
Problem Solving	<b>ODONT 513</b>	Oral Diagnosis and Treatment Planning	Diagnosis (Pain diagnosis and planning, tooth prognosis, radiographic, caries risk, periodontal risk, tooth replacement). Sequencing of treatment planning.	Self Assessment, Daily Feedback, Simulation	EPA, OSCE	Completion of formative learning, required clinical work and Coaches Assessment	
Problem Solving	<b>HS 831, 832,833</b>	Special Needs	Special Needs Assessment of patient	Self Assessment, Daily Feedback, Simulation	OSCE on simulated patient	Completion of formative learning	
Problem Solving	<b>ODONT 621</b>	Periodontology	Classification of Periodontal Disease	MCQ	MCQ	Completion of formative learning	Student ID hidden

Problem Solving	<b>ODONT 752</b>	Periodontology	Outcomes of Care	Self Assessment, Daily Feedback, Simulation	OSCE	Completion of formative learning, required clinical work and Coaches Assessment	
Problem Solving		Tooth Replacement: Removable Partial Dentures	RPD Design	Self Assessment, Daily Feedback, Simulation, Test Cases	EPA and Competency Examination	Completion of formative learning	Student ID hidden
Problem Solving	<b>ODONT 861</b>	Dental Emergencies	Management of patients in pain and other emergencies	Daily feedback	Competency Examination	Completion of formative learning, required clinical work and Coaches Assessment	
Problem Solving	<b>OMFS 631, 642</b>	Local Anesthesia, Pain Management I and II	Local anesethesia, nitrous oxide	Self Assessment, Daily Feedback, Simulation	OSCE and Technical EPA	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Problem Solving	<b>OMFS 641, 751</b>	Oral Radiology I and II	Radiographic Interpretation	Self Assessment, Daily Feedback, Simulation	EPA, OSCE	Completion of formative learning	Student ID hidden
Problem Solving	<b>HS 553</b>	Oral Health Screening	Head and neck exam, documentation and decision to refer/biopsy	Self Assessment, feedback	OSCE and EPA	Completion of formative learning	
Problem Solving	<b>BS 721, BS 822</b>	Practice Management I and II	Practice mangement	Self Assessment, Daily Feedback, Simulation	MCQ	Completion of formative learning	Student ID hidden

Clinical Reasoning	Course Number	Course Name	Procedure	Formative Assessments	Summative Assessments	How Students are Deemed Ready to Challenge	Objective Assessment
--------------------	---------------	-------------	-----------	-----------------------	-----------------------	--	----------------------

Clinical Reasoning	<b>ODONT 511, 512, 513; ODONT 611, 612, 613</b>	Operative Dentistry	Intra- and Extra- coronal restorations (crowns, class I, II, III, IV, other extra-coral)	Self Assessment, Daily Feedback, Simulation, Test Cases	Final OSCE and Technical EPA. Competency Examinations.	Completion of formative learning	Student ID hidden for OSCE, technical EPA and Competency Exams
Clinical Reasoning	<b>ODONT 551</b>	Introduction to Complete Dentures	Complete denture fabrication, laboratory prescription writing	Self Assessment, Daily Feedback, Simulation	OSCE, Competency Examination	Completion of formative learning	Prescription: Student ID hidden
