

## **Faculty Position - Department of Clinical Sciences - California Northstate University College of Medicine, Elk Grove, California, USA**

<b>Title:</b>	Assistant/Associate/Full Professor
<b>Classification:</b>	Faculty
<b>Supervisor:</b>	Chair, Department of Clinical Sciences
<b>Education:</b>	MD, PhD, or EdD
<b>Salary Range:</b>	\$120,000 - \$180,000 annually

### **Position Description:**

The Assistant/Associate/Full Professor faculty member is a non-tenured position responsible for the education in Pre-doctoral didactic and/or translational educational programs. This position participates and assists the Department Chair and faculty colleagues in the planning, directing, and implementation of college of medicine programs and assists in the development and teaching of curricula that integrates the different specialty areas in a team-based, large and small group learning environments.

The responsibilities for this position will include all of the following: serving the academic mission of the Department in teaching medical students, performing scholarly activities, and providing institutional service. In addition, other responsibilities may include student advising, student recruitment, retention, and placement efforts.

### **Obligations of the Assistant/Associate/Full Professor:**

*The information provided below is a general description of the Assistant/Associate/Full Professor's responsibilities; it is not intended to provide an all-inclusive list of responsibilities.*

### **Responsibilities:**

- Develop and implement curriculum topics for an integrated medical program
- Design a progressive format of medical science presentations, framed within the clinical context of the integrated curriculum
- Collaborate with basic and clinical science educators to coordinate the integration, horizontally and vertically, of basic sciences within organ/system-based courses
- Design and implement appropriate laboratory experiences for medical students in an integrated curriculum

- Teach first and second year medical students
- Lead a systems-based course (if assigned)
- Support student remediation planning and activities
- Design/deliver outstanding student experience, attending to all curriculum matters, as well as maintaining a learning environment that promotes mutual respect and professional behavior on the part of faculty, staff and students
- Provide course schedules, syllabi, and information for educational database
- Serve as a College Master (student mentor, academic advisor and role model), and supervise the academic progress of an assigned group of students throughout their medical program
- Support the delivery of the Masters Colloquium and Medical Skills courses for pre-clerkship students (as assigned)
- Support student career advising and student medical specialty interest groups (if assigned)
- Participate in scholarship activities
- Participate in faculty development programs
- Serve on departmental and institutional committees
- Provide clinical service (negotiable)

#### **Qualifications:**

- Terminal degree (MD, MD/PhD, DO) with Board Certification in the respective clinical specialty and/or a sub-specialty
- Eligible for licensure in the State of California
- Documented accomplishments as a clinician and clinician-educator
- Experience and documented accomplishments in teaching medical students
- Documented scholarship in the respective clinical area and/or medical education
- Ability to work effectively in an inter-disciplinary environment

#### **Qualities**

- Exceptional interpersonal communication skills
- Abilities to lead collaborative inter-organizational programs
- Knowledge about design of adult learning and active learning educational experiences
- Commitment to professional excellence and innovation in medical education
- 

#### **Preferences:**

- Applicants with experience in teaching Gastroenterology, Internal Medicine, Pulmonary Medicine or Emergency Medicine will be preferred

- Applicants with experience in teaching in an integrated curriculum will be preferred

### **EEO STATEMENT**
