CNUCOP SCHOLARSHIPS & AWARDS

1. Introduction

The California Northstate University College of Pharmacy offers a number of scholarships and awards to qualifying students enrolled in our four-year Doctor of Pharmacy (Pharm.D.) program. Scholarship and award criteria vary but are typically based on academic performance, financial need, community outreach involvement, and professionalism or leadership skills. Please review the scholarship criteria listed below to determine eligibility and/or visit their various websites. Please see the list on the next page.

2. How to Use this Document

This document lists and details information regarding scholarships/awards available through: 1) the Northern California Education Foundation (NCEF), 2) California Northstate University’s Office of the President, and Office of the Dean, and 3) external scholarships and awards. Scholarship or awards are listed and the eligibility criteria, award amount (if applicable) and tentative deadlines are outlined. It is the responsibility of the student to verify criteria, eligibility and deadlines as these are subject to change.

3. General Application Procedure for CNUCOP Scholarships & Awards

For awards/scholarships ranked by the Scholarships and Awards Committee, students must individually apply to each scholarship and/or award and submit a cover letter listing the name of the scholarship or award to which he or she is applying. Each student must also submit two copies of the required application documents electronically to **COPScholarships@cnsu.edu**. Wherever possible, please submit as one consolidated PDF. One copy of the application must be de-identified, meaning the students name and identification number should not appear on any of the application materials. Instead, please replace this information with “xxxx.” The de-identified applications will be ranked by the Scholarships and Awards committee members based on rubrics. All scholarship and award recipients will be recognized and honored at the *Scholarship and Awards Ceremony* held in the spring of each year. Please note, many of the scholarships and awards have different deadlines. Transcripts will be provided to the Scholarships and Awards Chair, Dr. Courtney, by the registrar. There is no need to submit a copy yourself. Please direct any questions to Dr. Courtney, Chair of the Scholarship and Awards Committee, by emailing COPScholarships@cnsu.edu.

4. Northern California Education Foundation Scholarships

In addition to scholarships evaluated by the Scholarships and Awards Committee, there are multiple scholarships offered by third parties that specify their own application requirements and instructions. Of note, the Northern California Education Foundation (NCEF) offers one of the most tuition assistance and need based scholarships, and any student that would like to qualify for these scholarships should apply through <https://www.ncef-ca.org/scholarship.html>. The deadline for applications to the Foundation is typically in early spring.
