**2020-2021**

**Dear CNUCOP Community,**

On behalf of the California Northstate University College of Pharmacy (CNUCOP) Scholarships and Awards Committee, we would like to thank our students, faculty, and staff for submitting applications and nominations for the collection of scholarships and awards that were available this 2020 - 2021 academic year. The committee received over 80 student applications. With all the hard work, dedication, academic excellence and community outreach that was demonstrated by our students, it was a huge feat for the Scholarships and Awards Committee to select the final recipients.

Each year, CNU hosts a Scholarships and Awards Ceremony where we celebrate the recipients in the company of faculty, friends, family and colleagues. Unfortunately, due to the pandemic, we are unable to gather together to celebrate your accomplishments. However, we are still with each of you in spirit and celebrate your accomplishments this year.

The CNUCOP Scholarships and Awards Committee is pleased to introduce you to our 2020-2021 student scholarship and award recipients. A brief description of the criteria for each award is provided below. Please join us in congratulating our students for each of their achievements this year!

**Sincerely,**

*Jennifer Courtney*
