

## **Volunteer Research Technician position open!**

We are seeking a highly motivated and detail-oriented individual to join our team as a volunteer research technician. This is an excellent opportunity to gain hands-on experience in research setting and contribute to innovative projects.

### **Responsibilities:**

- Assist researchers with laboratory tasks, data collection, and data entry
- Conduct literature reviews and summarize findings
- Prepare and maintain research materials and equipment
- Collaborate with team members to achieve research goals
- Participate in research meetings and discussions

### **Requirements:**

- Bachelor's degree in biomedical sciences or relevant field
- Basic knowledge of research principles and methods
- Familiarity with laboratory procedures.
- Strong organizational and communication skills
- Ability to work independently and as part of a team
- Commitment to volunteering for at least 25 hours per week

### **What You'll Gain:**

- Hands-on research experience and skills
- Opportunities for professional growth and development
- Collaboration with experienced researchers and professionals
- Contribution to cutting-edge research projects
- Letter of recommendation upon completion of volunteer period

**How to Apply:**

If you're passionate about research and eager to learn, please send your resume and a brief cover letter outlining your interests and availability to [eslam.mohamed@cnsu.edu](mailto:eslam.mohamed@cnsu.edu)

Note: This is an unpaid volunteer position.
